## MINISTERO DELLA SANITÀ

DECRETO MINISTERIALE 31 dicembre 1984.

**Assegnazione del codice identificativo delle confezioni delle specialità medicinali ad uso umano.**

### IL MINISTRO DELLA SANITÀ

Visto il proprio decreto in data 10 giugno 1983, pubblicato nella *Gazzetta Ufficiale* della Repubblica italiana n. 192 del 14 luglio 1983, recante la disciplina per l'impiego nelle confezioni delle specialità medicinali di bollini autoadesivi a lettura automatica;

Visto, in particolare, l'art. 1 del menzionato decreto, il quale, fra l'altro, istituisce il codice delle specialità medicinali per uso umano e, al quarto comma, affida ad apposito, successivo decreto del Ministro della sanità l'attribuzione di detto codice alle confezioni delle specialità medicinali già registrate;

Visto il successivo decreto del 7 maggio 1984, pubblicato nella *Gazzetta Ufficiale* della Repubblica italiana n. 181 del 3 luglio 1984, che ha prorogato il termine per l'immissione in commercio delle confezioni di specialità medicinali munite di bollino autoadesivo a lettura automatica;

Ritenuto di procedere all'adempimento previsto dal ricordato quarto comma dell'art. 1 del decreto ministeriale 10 giugno 1983;

#### Decreta:

#### Art. 1.

Ai sensi e per gli effetti di cui al decreto ministeriale 10 giugno 1983, richiamato nelle premesse, e successive modificazioni, alle confezioni delle specialità medicinali ad uso umano di cui agli allegati elenchi A, B, e C è assegnato il codice a fianco di ciascuna indicato.

Allo scopo di rendere più agevole l'individuazione dei codici, le medesime confezioni sono riportate nell'allegato A secondo l'ordine numerico dei codici attribuiti; nell'allegato B secondo l'ordine alfabetico delle denominazioni delle specialità medicinali e nell'allegato C secondo l'ordine alfabetico delle denominazioni delle aziende farmaceutiche e, per ciascuna di queste, secondo l'ordine numerico dei codici attribuiti.

Il codice attribuito alle singole confezioni, come previsto dall'art. 1, secondo comma, del decreto ministeriale 10 giugno 1983, è composto, nell'ordine, da:

- una cifra 0 costante, che identifica l'area delle specialità medicinali;
- 7 cifre identificative della confezione della specialità medicinale, le prime cinque delle quali corrispondono al numero di registrazione già attribuito alla specialità medicinale medesima;
- una cifra di controllo.

Per favorire la predisposizione della stampa del codice con la tecnica di codifica a barre, per ciascun codice viene anche indicata la trasformazione nel sistema di numerazione in base 32, secondo le modalità fissate dal citato decreto ministeriale 10 giugno 1983.

#### Art. 2.

Alle aziende farmaceutiche è concesso un termine di trenta giorni dalla data di pubblicazione del presente decreto nella *Gazzetta Ufficiale* per far pervenire al Ministero della sanità - Direzione generale del servizio farmaceutico, segnalazioni di eventuali discordanze od omissioni riscontrate negli elenchi allegati.

Ogni sei mesi, con comunicato del Ministero della sanità, sarà pubblicato nella *Gazzetta Ufficiale* un elenco aggiornato delle confezioni delle specialità medicinali di cui è autorizzato il commercio alla data dell'ultimo giorno del mese precedente.

Il presente decreto sarà pubblicato nella *Gazzetta Ufficiale* della Repubblica italiana.

Roma, addì 31 dicembre 1984

Il Ministro: DEGAN
